Unfortunately, it has missed the September round of applications due to confusion over the application process. New TAP fund application guidance is to be sent to all Councillors with updated notes on how to apply for funding. It was **AGREED** that the Clerk would make an application for the funding in time for the December round of applications.
- b) LW reported that a recent fundraising event for the Buckland Monachorum Community Shop Project had been very successful and has raised £1500. This means that the project can now register as a company.

296/16 TO REVIEW AND APPROVE THE NEW MEMBERS PACK (Cllrs Challiss, Baird and Vincent)

The new pack had been circulated to all Councillors electronically prior to the meeting.

Cllr Challiss asked members if they had any comments to make about the pack. All members present commented positively about the pack and its ease to read. clerk would re-jig the advert and display in other places such as local pubs and clubs as well as the noticeboards and website.

298/16 TO DISCUSS OWNERSHIP AND MAINTENANCE OF MILTON COMBE WAR MEMORIAL (Cllr Larkin)

A discussion took place about the ownership of the War Memorial as the area around the memorial requires weeding and there is no one person able to do it. It was **AGREED** that whilst there would be no change in ownership, that the Parish Council would take on the weeding around the memorial and place it on the Buckland Monachorum Grounds Maintenance Contract twice per annum. The Clerk is to liaise with the contractor to see what the additional cost will be.

299/16 CRAPSTONE CRICKET CLUB UPDATE

Unfortunately, the Cricket Club Chairman (Mr Osborne) was unable to make the meeting. The Clerk will follow up the Chairman for an update and report back the Councillors.

300/16 CEMETERY AND WAR MEMORIAL MAINTENANCE WORKS TO DISCUSS:

i) Work required to dead tree in Churchyard

Reverend Graham Cotter has notified the PC that one of the conifers in the old churchyard is dying. It was **AGREED** for the clerk to obtain three quotes for the removal of the tree.

ii) & iii) Quotes for broken headstone in churchyard and broken granite post to Crapstone War Memorial

The Council is waiting for these quotes to come in. The Clerk will check if any of these repairs are covered by the Parish Council's insurance policy.

301/16 PLAY KIT INSPECTION UPDATE

The Clerk notified members that the contractor who normally carries out the annual health and safety certification and risk assessment of the play kit in Buckland Monachorum and Crapstone has now retired. He has suggested that his colleague Elizabeth Rose take over the annual inspections. It was **AGREED** that the inspections should be carried out by Elizabeth Rose as long as there is not a significant increase in the cost.

The current Councillor inspection rota for the play kit has run out. The Clerk will draw up a new rota and send out to Councillors.

302/16 TO DISCUSS CLERKS HOURS

The Clerk is currently contracted to do 17.5 hours of work per week. The Clerk raised in their 6 month review that often they cannot do all the work required in the allotted hours, especially if project work is required or if reactive work comes in. The issue was discussed and it was **AGREED** to increase the Clerk's weekly hours up to 20 hours where required. Any other significant overtime should be pre-agreed with Members.

Additionally, the Clerk raised the issue that there is a large amount of historic paperwork which requires looking through to determine whether it needs to be kept or not. Cllr Vincent proposed that the Clerk arrange for a group of Councillors to meet up prior to some of the scheduled meetings to sift through it to determine what can be disposed of. Prior to this, the Clerk is to liaise with DALC to determine what paperwork must be kept for legal reasons and the timescale documents must be kept for.

303/16 TO DISCUSS UPCOMING COUNCILLOR AND CLERK TRAINING COURSES

A number of training courses are currently being offered by DALC for new Councillors and Clerks. It was **AGREED** that the Clerk should attend the Clerk Essentials Course on the 22nd November in Exeter and that the details of the new Councillor course should be emailed to Cllr Vincent to look at.

304/16 TO DISCUSS THE PURCHASE OF NEW OFFICE EQUIPMENT

The Clerk informed members that the Parish Council requires the following equipment;

- i) A laptop or desk top computer
- ii) Fire resistant document storage
- iii) New printer
- iv) Shelving

Members discussed the Clerk's request and it was suggested a desk top computer would be more powerful in terms of storage. The Clerk will discuss with GB to determine what recommendations he can make. Additionally, they will ask DALC what other P.C.'s have in terms of fire resistant document storage. Once this information has been sought the Clerk will obtain some prices for the equipment and report them back to Council.

305/16 TO DISCUSS PROPOSED GAME SHOOTING ON ROBOROUGH DOWN (Cllr Butland)

Following on from the earlier representation made by the two members of the public at the beginning of the meeting about this topic, Cllr Butland introduced the subject of the game shoots held on land owned by Maristow estate. The shoots are being held at the western end of of Roborough Down and have been held for approximately the last 12 months. The shoots are organised by Maristow Estate.

Cllrs voiced their concern for the health and safety of members of the public using areas of the moor adjacent to where the shoots were being carried out. It was **AGREED** that whilst the shoots are being carried out on private land, Cllr Fowler would draft a letter to both Cllr Philip Sanders at WDBC and the Chief Executive at DNPA to see if there is anything that can be done to protect members of the public. The letter will be copied to Jo Hess at Maristow Estate.

It was discussed whether volunteers should carry out the work.
